Shipping Form for ATV (two pages)

Packaging instructions

1. Clean Shocks thoroughly (\$10 surcharge for washing dirty component)
2. Remove all unnecessary covers, bolts, linkages, etc.
3. Place Zip Tie through eyelet bearings to prevent loosing spacers
4. Wrap each component separately and place in sturdy box
5. Fill out shipping sheet and place in box, please write clearly when filling out form

We will contact you for setup instructions when package is received.
