**Shipping Form for STREET MOTORCYCLE (two pages)**

Packaging instructions

1. Clean Fork/Shock thoroughly (\$10 surcharge for washing dirty component)
2. Remove all unnecessary fork covers, bolts, linkages, etc.
3. Place Zip Tie through eyelet bearings to prevent loosing spacers
4. Remove fork bleeders to prevent leaking during shipping
5. Wrap each component separately and place in sturdy box
6. Fill out shipping sheet and place in box, please write clearly when filling out form

**We will contact you for setup instructions when package is received.**
